

President's Corner

Greetings, Retirees. I hope that for all of you the present unfolding of spring's beauty gives comfort at this time when the world is beset with so much strife and despair. Forget the taxman and make a donation to a charity of your choice.

Your Council met recently and in the spirit of the season resolved to proceed with web-based software Wild Apricot to host an upgraded, mobile-friendly MURA website. Wild Apricot is a Canadian company. Development work is well underway and we will soon be providing you with all the appropriate information about the new website. Thank you to Nora Gaskin who has volunteered to be Web Master for the new site.

I remind you that our Annual General Meeting and luncheon will be held on June 7th in Celebration Hall and I invite you to attend. It is an important event in the life of the Association. I hope to see you there.

Les King
MURA President
