3. OTHER BUSINESS

(a) Financial Report

Bill MacPherson reported that to date 150 members had mailed in their \$10.00 dues cheques, a very encouraging response indeed. Our current account has a balance of over \$1500.00, with all debts paid. Our grant account stands at \$2900.00. Bill noted that he and Dorothy Jacobs will be meeting with Mrs. Arksey re our New Horizons Grant budget allocation categories.
We will not now be requiring a new electric type - writer, but will require a typing table and misc. other items not requested in our original budget submission.

(b) Local Travel Opportunities

Blyth Williams drew our attention to the opportunities for coach trips offered by Canada Coach and other bus companies. He suggested that we might consider publicizing these to our membership, and, if any one is interested in following up on this item, Blyth offered his assistance in getting groups together for coach trips.

Blyth will try to get information to Don Shepherd for inclusion in the upcoming newsletter.

(d) Commitment to Centennial Year.

Bill MacPherson reported that Sid Emberley is currently drafting a letter to the Association, spelling out in detail how we might assist the University during Centennial Year, especially re the preparations for the visit of the Learned Societies in May-June 1987. He hoped that all members would regard this as an ideal opportunity for us to assist the University with this extremely important and prestigious project.

(e) Hospital Visits

Les Prince and Stuart Winn reported on this topic. It was noted that Personnel Services cannot be relied on to give us information on retirees who are hospitalized. We ourselves are in a better position to obtain this information. This could be a task for the Phone Committee.

(f) Assistance from Personnel Services

Bill MacPherson paid tribute to the support given us by Mrs. Sadie Love, Secretary to Fred Hopkinson, Director of Personnel Services.

4. NEXT MEETING: (Executive Committee)

Tuesday, 9 September, 1986 at Noon
West Room, Faculty Club

Bill MacPherson will circulate copies of Sid Emberley's letter to the Executive, for future discussion. Progress in this area should also be reported at the Canterbury Hills Dinner meeting.
